Top Ten Contributions

Below is a list of DaVita’s and DaPAC’s top ten contributions to political parties, candidates or other political committees as set forth in the links above. We believe that participation in the political process is important and has the ability to impact the lives of our teammates, patients, partners and the healthcare community as a whole. As a general matter, DaVita and DaPAC contribute in a bipartisan fashion to candidates and organizations who are supportive of improved care for individuals with kidney disease and innovation in kidney care. The Company’s public policy priorities are explained below under the heading “DaVita’s Position on Key Policy Priorities,” and DaVita’s and DaPAC ‘s contributions, including to each of the Top Ten contributions below, are intended to help elect candidates who support issues aligned with these priorities.

Trade Association Contributions

DaVita makes payments to 501(c)(6) trade associations that may engage in lobbying activities on the Company's behalf to advance the public policy interests of the Company, its patients, teammates and stockholders. Typically, the Company will disclose the top five trade associations to which it made payments for the prior six-month period. However, for the period of January 1 – June 30, 2021, the Company only made payments to three such trade associations, which are:

Trade Association Contributions
1. California Dialysis Council
2. Northwest Kidney Council
3. Kidney Care Council

DaVita's Position on Key Policy Priorities

As a general matter, the lobbying and advocacy efforts of DaVita's federal and state government affairs teams are intended to educate individuals elected to federal and state public office and those who serve in governmental agencies about kidney care issues, the challenges patients with kidney disease face and efforts relating to our teammates. DaVita's bipartisan lobbying and advocacy focus areas include, among other things:

- Providing integrated care to our patients
- Innovating in home health
- Stabilizing payments under Medicare and Medicaid
- Ensuring dialysis patients have a choice of health insurance coverage
- Promoting chronic kidney disease education, home dialysis, and access to transplant
- Health Equity among patients with kidney disease
- Ensuring that health care models related to kidney care can be implemented in an effective and efficient manner
